<b>Award Description</b> The City of Seattle, bringing together partnerships with over 40 public, private, and non-profit partners, is committed to the twin goals of: 1) Drastically reducing carbon emissions by fostering a clean energy economy that relies on energy efficiency as a primary source of power and; 2) Putting Americans to work in family-wage green jobs upgrading buildings where we all live and work. The project takes a neighborhood and building-by-building approach to achieving energy efficiency by engaging all residents, businesses and buildings, diverse communities, young and old, rich and poor, homeowners and renters, workers and business owners. To accomplish this goal we have designed a program in which most Seattle residents will become aware of and involved in reducing	<b>Vendors less than \$25,000/award</b>
